

GRUG[®]

Full Metal Paint / Year 2010

Introduction.

Launched in 2006 only in Chome at first, then followed by the White colour, the **Full metal Paint** line is now available in full spectrum.

Grog Full Metal Paint is born to refill **Grog Squeezer** but it can be used for any pump marker, too.

15 bright colours, a totally new formula, hi-pigmented shades, all in glossy finish!

Grog Full Metal Paint is available in the classic 250 ml. refill bottle.

Grog Squeezer paint will follow soon.
